

## MOHAMMADREZA SAHELGOZIN

Full-Stack Web Developer, GIS Engineer

+98-9013084366

Yazd, Iran

[m.sahelgozin@gmail.com](mailto:m.sahelgozin@gmail.com)

<https://www.linkedin.com/in/mohammadreza-sahelgozin>

### Summary

Professional full-stack web developer with 5+ years of experience in developing server-side applications and restful APIs using Laravel / PHP and Gin / Go, and developing client-side applications using Vue.js. Also, highly skilled in applying HTML / CSS / JS to implement user interfaces of web applications. Expert in analysis and implementation of relational databases such as MySQL / MariaDB as well as Elasticsearch as a no-SQL database. Have a good understanding of OOP, SOLID principles, MVC architecture and Microservice programming and experienced in utilizing Git as a code version controlling tool. Had a key role in 2 - 20 member developer teams while participating in several projects including startups, online store application, online booking application, organization automation system, game platform, SIEM applications, etc. Proven success in developing reusable and scalable codes, writing tests and bug fixing when delivering incremental features in an Agile environment. Efficient Debian-based Linux user with experience in writing shell scripts. A highly motivated, disciplined, creative and flexible person who can properly meet new challenges and take part in problem-solving processes.

### Experience

## Education

---

- **Bachelor of Science in Computer Engineering**  
September 2022 – Present  
**University of Science and Arts, Yazd**  
GPA: 16.86
- **Master of Science in GIS Engineering**  
September 2012 – February 2015  
**K.N.Toosi University of Technology, Tehran**  
GPA: 17.53
- **Bachelor of Science in Surveying Engineering**  
September 2008 – August 2012  
**K.N.Toosi University of Technology, Tehran**  
GPA: 15.94
- **Diploma in Mathematics and Physics**  
September 2004 – June 2008  
**National Organization for Development of Exceptional Talents (NODET), Tehran**  
GPA: 19.10

## Skills

---

<u>Laravel</u>	<u>PHP</u>	<u>VueJS</u>	<u>HTML</u>	<u>CSS</u>	<u>Bootstrap</u>
<u>SASS</u>	<u>JavaScript</u>	<u>RestAPI</u>	<u>MySQL</u>	<u>MariaDB</u>	<u>Elasticsearch</u>
<u>Logstash</u>	<u>Redis</u>	<u>Go</u>	<u>Python</u>	<u>C++</u>	<u>Ruby</u>
<u>MATLAB</u>	<u>Git</u>	<u>Agile</u>	<u>Scrum</u>	<u>Linux</u>	<u>MicrosoftOffice</u>

## Certifications

---

- **Completion of Introductory Web Penetration Testing Course**  
January 2023  
**Nooranet Institute, Tehran**
- **Completion of Advanced Web Penetration Testing Course**  
September 2022  
**Nooranet Institute, Tehran**
- **Completion of ELK Stack Course**  
September 2022  
**Iran Linux House (Anisa) Institute, Tehran**
- **Completion of Effective Use of Scrum Course**  
January 2020  
**Science and Technology Park, Yazd**
